

On behalf of the men and women of the Covina Police Department, welcome to our webpage. I am proud to lead the extraordinary men and women of one of the finest law enforcement agencies in the state.

The City of Covina is a vibrant and diverse community, with great neighborhoods, schools, and residents who take an active role in their city. The mission of the men and women of the Covina Police Department is to prevent or reduce crime and to improve the quality of life in the City of Covina. Through our Service Area Policing Model, residents have direct access to the Police Department to address the quality of life issues that are so vital to this community.

The values of the Covina Police Department are displayed on the uniforms of every Police Department employee—"Honor, Integrity, and Service". These values, combined with a well rounded approach of education, prevention, intervention, and enforcement form the foundation of a policing approach that makes Covina one of the safest cities in the San Gabriel Valley.

It is my hope that you will enjoy your visit to our website, and that it provides you with improved access to the many services provided by our organization and a better understanding of the Covina Police Department.
